Excerpt from the Terms & Conditions of Malz++Kassner GmbH:

Execution of contract: Offers made by us shall be non-binding, while catalogs, leaflets, advertisements, price lists, and the Internet contain only approximate values subject to change, which shall become binding after we have confirmed them in writing in a contract or in business correspondence. Orders shall be legally binding only upon our express written confirmation or delivery of the goods. Orders placed via the Internet are preliminary when you receive confirmation of your e-mail submitted at the end of the ordering process, and shall become binding following our confirmation of the order or upon delivery of the goods. If neither an order confirmation nor the goods are sent by us within two (2) days thereafter, your order shall not be binding. We shall have the right to exercise our discretion in rejecting any orders placed.

Supplies and shipment: Unless stated otherwise in our offer, delivery will take place within 5 days. You shall accept partial shipments and services deemed reasonable, without your prior consent. We shall exercise our discretion in selecting the most reasonable method of shipment, unless otherwise requested by you. You may rescind the contract for non-performance, only after having first granted us a grace period of at least four (4) weeks via registered letter. We shall not be held liable for the duration of delays arising from events beyond our reasonable control, such as industrial actions, traffic jams, and force majeure, under which circumstances we shall have the right to withdraw from the unfinished portions of the contract, without incurring any liability for attendant damage claims.

Right of return: If you are a consumer based within the European Union, you may return the goods within 14 days without explanation. The fixed period begins with receipt of these instructions in written form (e.g. as a letter, fax, or e-mail), but not before you have received the goods (in case of repeated delivery of the same goods not before receipt of the first partial delivery) and not before completion of our duty to inform you according to article 246 § 2 in conjunction with § 1 clauses 1 and 2 EGBGB as well as our duties according to §312g clause 1 sentence 1 of the German Civil Code in conjunction with article 246 § 2 EGBGB. You can declare a return with a return request in written form only when the goods are not transportable as a parcel, e.g. bulky goods. A timely dispatch of the goods or the request of return shall suffice in order to comply with the two-week deadline. In either case, the return is to be carried out at our cost and risk. The return of goods or return claim is to be sent to: Malz++Kassner GmbH, Leopoldstrasse 7a, 38100 Braunschweig, Germany. In case of a return request, the goods will be picked up at your place.

Settlement of returns: In case of effective return, the goods and services taken by either party are to be returned. For a deterioration of the goods and services used (e.g. compensation for use) which cannot be returned completely or partially or only in deteriorated state, you have to pay compensation accordingly. You have to pay compensation for deterioration of goods and services used only if the use or compensation is attributed to handling the goods in a way that exceeds the testing of attributes and functionality. "Testing of attributes and functionality" means testing and trying out the respective goods as it would be possible for buyers to do in shops. The obligation to refund payments must be fulfilled within 30 days. The time limit begins for you when the goods or the return claim are sent; the time limit for us begins with the receipt of the sent goods or return claim.

Governing law and jurisdiction: All orders and supplies shall be governed by the Laws of Germany. In the event you are a general merchant or legal entity, jurisdiction shall be in Braunschweig, for all disputes arising from or in connection with this agreement, including proceedings involving bills of exchange or checks.
